What is COMECC?

The Commonwealth of Massachusetts Employees Charitable Campaign, established in 1984, is governed by Executive Order 404. COMECC, the only authorized payroll deduction workplace solicitation, is conducted under the authority of the Secretary of Administration & Finance. COMECC is private, voluntary and confidential. It affords state employees the opportunity to support private, non-profit health and human services and environmental organizations. Each year, the Secretary selects a Statewide Campaign Manager for overall management of the campaign and a Local Campaign Manager to conduct and manage COMECC in each the regions

Why COMECC?

It is the one opportunity state employees have to share in the spirit of giving, in order to assist those who might experience hardship or temporary crisis in their lives. Your one time contribution or payroll deduction can make a significant difference in the lives of children, families and communities across the state, the country and the world.

The “Agency Listing Directory” and How to Use It

This directory is designed to act as a reference for you. Each agency which wished to be included in this directory supplied its telephone number, web address, a description of its services along with annual fund raising and administrative costs as a percentage of total income.

Each agency listed in the directory has undergone a rigorous application review process by state employee colleagues, members of COMECC Employees Charitable Campaign Committees. The review criteria are in the Executive Order.

If you know the name of an organization, you may easily find it through the Alphabetical Listing. If you are interested in which agencies provide specific services, go to the Primary Services Listing. You can obtain additional information about an agency by calling it.
